

# SWISS LEGAL FINANCE

LITIGATION FUNDING

*«Justice is a precious thing, and must be purchased at a dear rate».*

*Francisco de Quevedo*

# Our Activity

- Swiss Legal Finance (“SLF”) facilitates access to justice by financing all types of legal or arbitration proceedings.
- SLF allows individuals and companies to initiate legal proceedings without having to bear the costs.
- SLF intervenes at all stages of the proceedings, as soon as they are introduced, before higher instances, or at the time of recovery.

# Funding Process

- SLF is responsible for all legal fees and costs.
  - SLF pays all fees relating to lawyers, experts and other third parties.
  - SLF bears the full financial risk.
  - SLF is reimbursed only if the case is won, and contingent on the result.
- The participation in the result depends on, among others:
    - The risk;
    - The litigious value;
    - The investment;
    - The stage of the intervention;
    - The duration of the proceedings.

# Our Advantages

- For the client:
  - Frees up liquidity for other activities;
  - Eliminates the financial risk;
  - Facilitates access to the justice system;
  - Improves the balance sheet and operating profit.
- SLF does not require:
  - Any direct reimbursement;
  - Any advance fees;
  - Any guarantee;
  - Any annual premium.

# Our Advantages

- For the lawyer:
  - Allows full oversight of expensive and high-stake procedures;
  - No interference in the choice of the lawyer, nor in the agent-principal relationship;
  - The lawyer remains in full control of his or her strategy;
  - Payment of fees guaranteed and facilitated;
  - Access to « SLF experts » (i.e. specialists, professors and former judges).

# Business Areas

- SLF is active in arbitration and judicial proceedings, particularly in the following areas:
  - Commercial and contractual law;
  - Economic criminal law;
  - Corporate law;
  - Inheritance law;
  - Liquidation of matrimonial property regimes;
  - Prosecution and bankruptcy law;
  - Environmental law;
  - Public liability;
  - Real estate and construction law;
  - Recovery;
  - Intellectual property.
